

HCEA Happenings

OCTOBER 2006

By-Laws Revision Passes

Over $\frac{3}{4}$ of the membership voted in favor of the By-Laws revisions. The updated By-Laws will be sent out in the next few weeks.

HCEA Representatives Meet with Superintendent

Representatives from each school will meet with the Superintendent monthly to discuss issues that effect the district as a whole. If you feel that an issue needs to be brought up, contact your building representative or e-mail Nancy Heredia your concerns. The meetings take place the third Monday of every month.

WINNEMUCCA WAL*MART

On November 14, 2006, the Winnemucca Wal*Mart will be giving a **10%** discount to all HCEA members on their purchases that day. No layaway. You will have to show your NSEA Accesscard. Wal*Mart will have a list of all HCEA and HCSSO members.

Also, many of us have received two Access cards this year. One was in your packet and the other was mailed from NSEA. If you received two cards, please return one of them to Sean Wilson at Lowry High School.
